

MILITARY GOODS

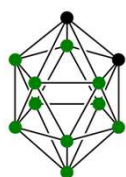

ORDERING PROCEDURE

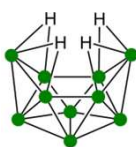

Military goods are commodities (such as systems, equipment, components, materials, software or technology) that are in most parts specially designed or modified for military use.

Our portfolio include carboranes and their derivatives, as well as decaborane which are classified as military goods – “energetic materials”.

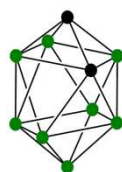

EXAMPLES

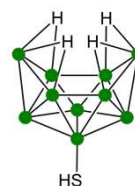

1,2-C₂B₁₀H₁₂

B₁₀H₁₄

1,2-C₂B₈H₁₀

1-SHB₁₀H₁₃

MILITARY GOODS

ORDERING PROCEDURE

SUBMIT ORIGINAL DOCUMENTS

- ✓ Without a fully completed document, printed on your **institution's letterhead** and bearing **the signatures of the statutory representative** and an **original stamp**, our company cannot apply for an export license from the License Administration of the Ministry of Trade and Industry of the Czech Republic.
- ✓ When filling out the **End-Use Declaration**, please provide a detailed description of the intended use; simply stating "Research" is not sufficient.
- ✓ If the Buyer is not the end user, the End-Use Declaration must be completed and signed and submitted by both the Buyer and the actual end user.
- ✓ Send all scanned documents (Purchase Order Summary, Copy of your country's military trade permit registration, International Import Certificate, and final End-Use Declaration via email to **sales@katchem.cz**.
- ✓ All documents must be prepared and signed **in duplicate**. One copy shall be submitted to the relevant authority, and the other shall be retained by the company.
- ✓ Additionally, please send the original documents by standard post to our address: **Katchem spol. s r.o., Minická 635, 278 01 Kralupy nad Vltavou, Czech Republic**.

NOTE

The licensing process typically takes **2-3 months**. If the Seller **fails to obtain** the export licence(s), the order will be automatically cancelled, and the Buyer will be informed of this circumstance.

SHIPPING

Goods will be shipped upon completion of the licensing procedure (typically, within 2-3 months). If manufacturing is required; the dispatch date may be adjusted.

FEES

250€ / 295\$ Export Licence

Upon receipt of the above documents, we will apply to the relevant authorities for an export license
